

THE DESIGN MUSEUM PRESENTS

Prohibition Club

in conjunction with Fizz catering

Step into the Prohibition Club, and step back to the American roaring twenties. Enter the illicit drinking den, gamble with gangsters, and enjoy cool live jazz as cocktails flow around the subtly lit black and white lounge setting.

Dress to kill, as a gangster or moll or come as you are but make you sure you have the secret password as you arrive as our Gangster doormen will demand these for entry!

As guests arrive secretly brewed gin and vodka cocktail will be offered, as well as the prohibition special if you dare! served in tea cups of course. Later in the evening, the money men will run the casinos, the gun men will challenge you on laser shooting games and if your money men agree! a police raid complete with stunts and movie fight scenes will kick off the excitement as a lead on to the live disco, bringing the music and enjoyment bang up to date.

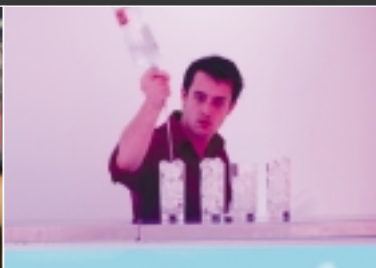

All prohibition events include:

- Exclusive venue hire
- Choice of canapés & bowl food menu or 3 course dinner menu
- Cocktails and unlimited drinks package
- Event furniture – in black and white
